On July 12, 2016 the EEOC filed an Application to Show Cause as to why its Subpoena No. LV-016-01 ("Subpoena") against Respondent should not be enforced. In addition to the Application, the EEOC filed a Proposed Order to Show Cause, Memorandum of Points and Authorities, and supporting documents. (ECF No. 1).

On September 9, 2016, Respondent produced documents to the EEOC responsive to Subpoena Request numbers one through three. In the Joint Stipulation and Order filed by the parties (ECF No. 8), Respondent agreed to produce documents responsive to Subpoena request numbers four and five by October 14, 2016.

In the October 21, 2016 Joint Status Report (ECF No. 9) the parties provided an update to the Court. On September 16, 2016, Respondent furnished additional information to the EEOC in response to Subpoena request number four. On October 20, 2016, Respondent supplied further documents to the EEOC in further response to Subpoena requests number four and five. In the Joint Status Report (ECF No. 9), the parties agreed they would notify the Court if they were able to resolve their remaining issues with the EEOC's Subpoena.

On October 25, 2016, Respondent produced additional information responsive to Subpoena request number four. On October 26, 2016, Respondent notified the Commission it would produce more documentation responsive to Subpoena request numbers four and five by November 17, 2016. Accordingly, the parties filed a second Joint Stipulation and Order requesting Respondent be granted more time to produce responsive documents. (ECF No. 10).

On November 7, 2016, Respondent produced additional documents responsive to Subpoena request numbers four and five. Thus, the EEOC no longer requires the assistance of the Court to enforce the Subpoena at this time. As such, the EEOC respectfully requests the dismissal of this subpoena enforcement action without prejudice.
